

Final

Step 1:

You will be using shoes, masking tape, scissors and FLEXY plastic

Step 2:

Get the masking tape and fold it so that a little bit of the tape is still adhesive.

Step 3:

Fold the masking tape multiple times and cut your desired shape to create a pattern when unfolded.

Step 4:

Use your patterned masking tape to help you guide your doodle. Outlining your shoes will help you doodle cleaner!

Step 5:

Fill it up!

Step 6:

Design it, and repeat for the other shoe!
