

Final

Step 1:

Tape half of a golf ball with masking tape.

Step 2:

Use Café au Lait to start Doodling the head.

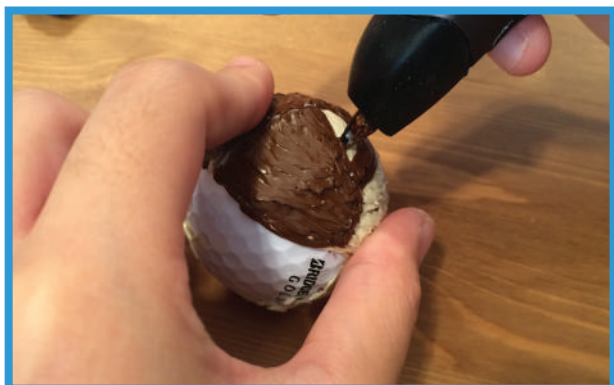

Step 3:

Carefully take off the Doodled head off the golf ball. (It will be easier to take it off after adding the details)

Step 4:

Next, the hair. Doodle two half semicircles using Brownie Brown for the back of the hair.

Step 5:

Then add on some curves for Princess Leia's bangs

Step 6:

After that, add her side buns by constantly Doodling circles

Step 7:

You Doodle over the circles for more hair details.

Step 8:

Next, Doodle her other bun on the other side.

Step 9:

After that, add her facial details. Doodle a nose.

Step 10:

And her eyes.

Step 11:

Last but not least, create a base for the head to stand on the BB-8. Doodle around the magnet.

Step 12:

Make sure it fits the bottom of the head, then stick them together.
