

#WhatWillYouCreate?™

Puzzle Keychain

Stencil

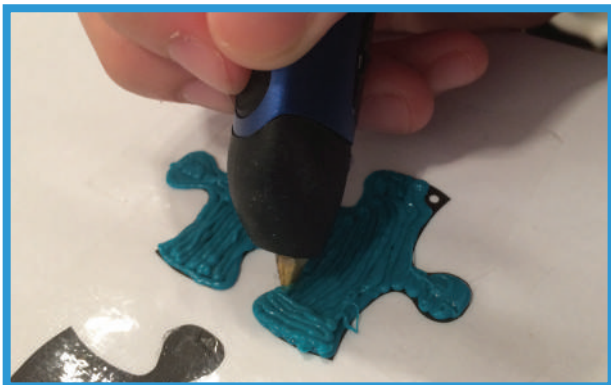

Step 1:

Print and cover the stencil with clear tape.

Step 2:

Outline and doodle the stencil. Do not doodle the corner that has a hole yet

Step 3:

Doodle another layer on top

Step 4:

Doodle the hole in the corner

Step 5:

Using the jump ring, attach the lobster claw clasp with the puzzle piece. Use a tweezer to tighten the jump ring

Step 6:

To create the other piece, use Blu Tack to cover the side that will attach to the next piece

Step 7:

Doodle the second piece by repeating Step 2-5

Step 8:

Create as many piece as you want with different colors!

Step 9:

Your final piece should be able to connect all the puzzle pieces together.
