Step 1:

Tape up the top part of the barbie doll with masking tape.

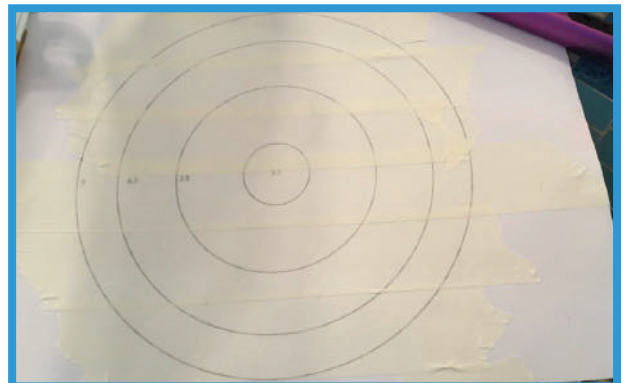

Step 2:

Doodle the top using FLEXY™

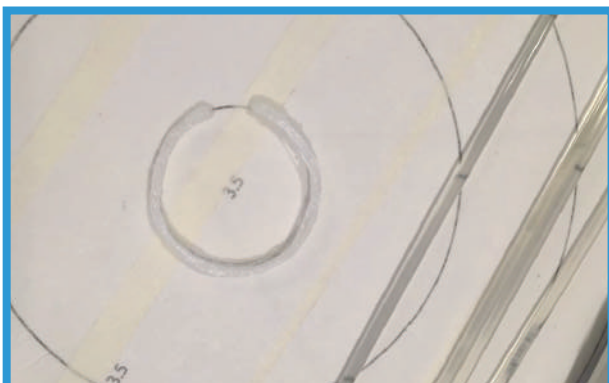

Step 3:

Once you reach the back top, use the same FLEXY™ color to stick the velcro.

Step 4:

Print and tape with masking tape the stencil of Barbie's skirt.

Step 5:

Use PLA Clearly Clear to doodle the waist of Barbie. (Don't doodle the whole circle)

Step 6:

Doodle 7/8 of the circle with FLEXY™

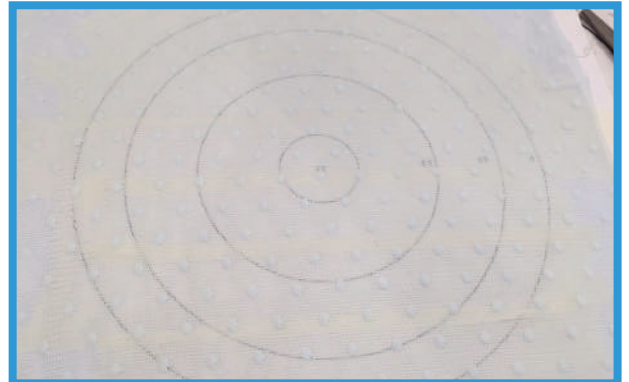

Step 7:
Combine Barbie's top with the skirt.

Step 8:
Fit it on Barbie and secure Barbie's top and skirt.

Step 9:
Doodle both ends of the skirt together

Step 10:
To add more details to the dress, use a fabric and trace out the second large circle.

Step 11:
Cut the outline of the fabric.

Step 12:
Stick the fabric onto the skirt.
